

How to Print Drawings from ACS – Google Chrome Instructions

1. From ACS “Design a Closet” page go to “Print Drawings Only”.
 - a. Select the size of the drawing you want.

The screenshot shows the American Closet Systems (ACS) "Design a Closet" web application. The interface is designed for creating and customizing closet layouts. Key elements include:

- Navigation Bar:** Located at the top, it contains links for Home, Start Designing, Closet Parts, Accessories, Units, Selections, and Print Drawings Only. A red arrow points to the "Print Drawings Only" link.
- Print Drawings Only Dropdown:** A dropdown menu is visible, showing options for drawing sizes: 1/4, 3/8, and 1/2. A red arrow points to this dropdown.
- Main Design Area:** The central part of the screen displays a 3D/2D view of a closet unit. It includes a floor plan and a detailed view of the closet unit with dimensions and unit numbers.
- Configuration Options:** On the right side, there are various configuration options such as Colors (Solid, Woodgrain), Floor Type, Height of Units, Edge Tape, and Standard Heights/Depths.
- Left Panel:** The left side of the screen contains a list of units and their prices. It also includes a section for "Back Wall (Max Length 300")" with options for Wall Length, # of Units, Length Used, and Unused Length.
- Bottom Panel:** The bottom of the screen features a section for "Select Door/Drawer Front" with options like Standard (Flat Panel Melamine), Decorative (One-Piece Thermofoil), and Paintable (One - Piece MDF). It also includes checkboxes for Show Hangers, Show Shelves Height, Show Clothing, Wall Color Coding, Show Unit Ref #, Invisible Back Wall, Show Drawer Fronts, and Depth & Height mm to inches.

2. Press Cancel

The screenshot displays the American Closet Systems website interface for designing a closet. The main window shows a 3D rendering of a closet unit with dimensions and a list of units. A sidebar on the left contains configuration options for wall length, number of units, and space remain. A print dialog box is open on the right, showing the print settings and a preview of the installation paper. A red arrow points to the 'Cancel' button in the print dialog.

5. After you download all the Drawings, Click on the “Flie Explorer” Button in the Taskbar.

The screenshot displays the American Closet Systems website's "Design a Closet" interface. The top navigation bar includes links for Home, Start Designing, Closet Parts, Accessories, Units, Selections, Specs, Order / Ship, FAQs, Tutorials, Business Opportunities, and Contact Us. The right side of the header shows the phone number 301-256-3652 and a user login for asankha(Admin).

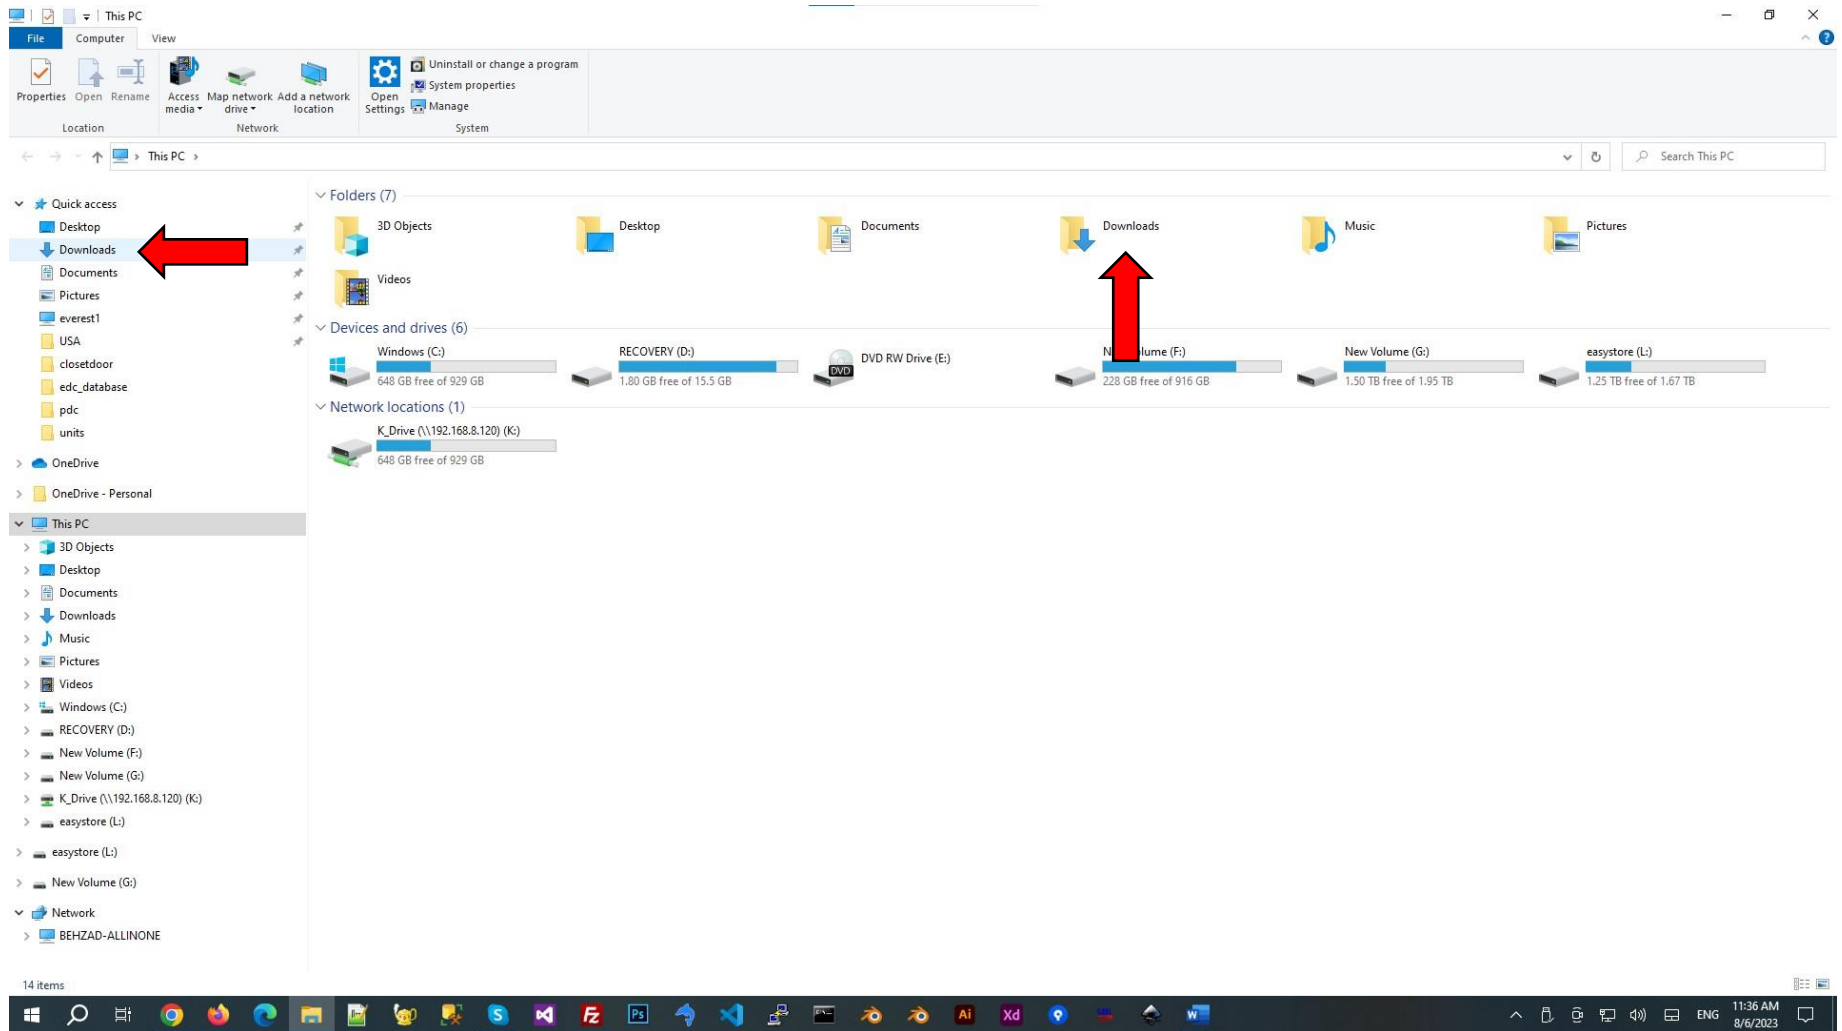

The left sidebar contains pricing information: List Price \$3,154.61, Your Price \$1,892.76 (40% Discounted), and Shipping NOT included. It also features a color selection dropdown set to White and an "Apply" button. Below this is a section for "Name of this Closet" (Room254) and "Comments".

The central area shows a 3D/2D view of a closet design. A red arrow points to the "Flie Explorer" button in the Windows taskbar at the bottom. The taskbar also shows other open applications like Google Chrome, Microsoft Edge, and various utility programs.

The right sidebar includes a "Colors" section with options for Solid and Woodgrain. Below this are settings for Floor Type, Base Board, and Ceiling Height. The "Height of Units" is set to 84 inches, and the "Edge Tape" is set to 0.5mm. The "Standard Heights" and "Standard Depths" are also listed.

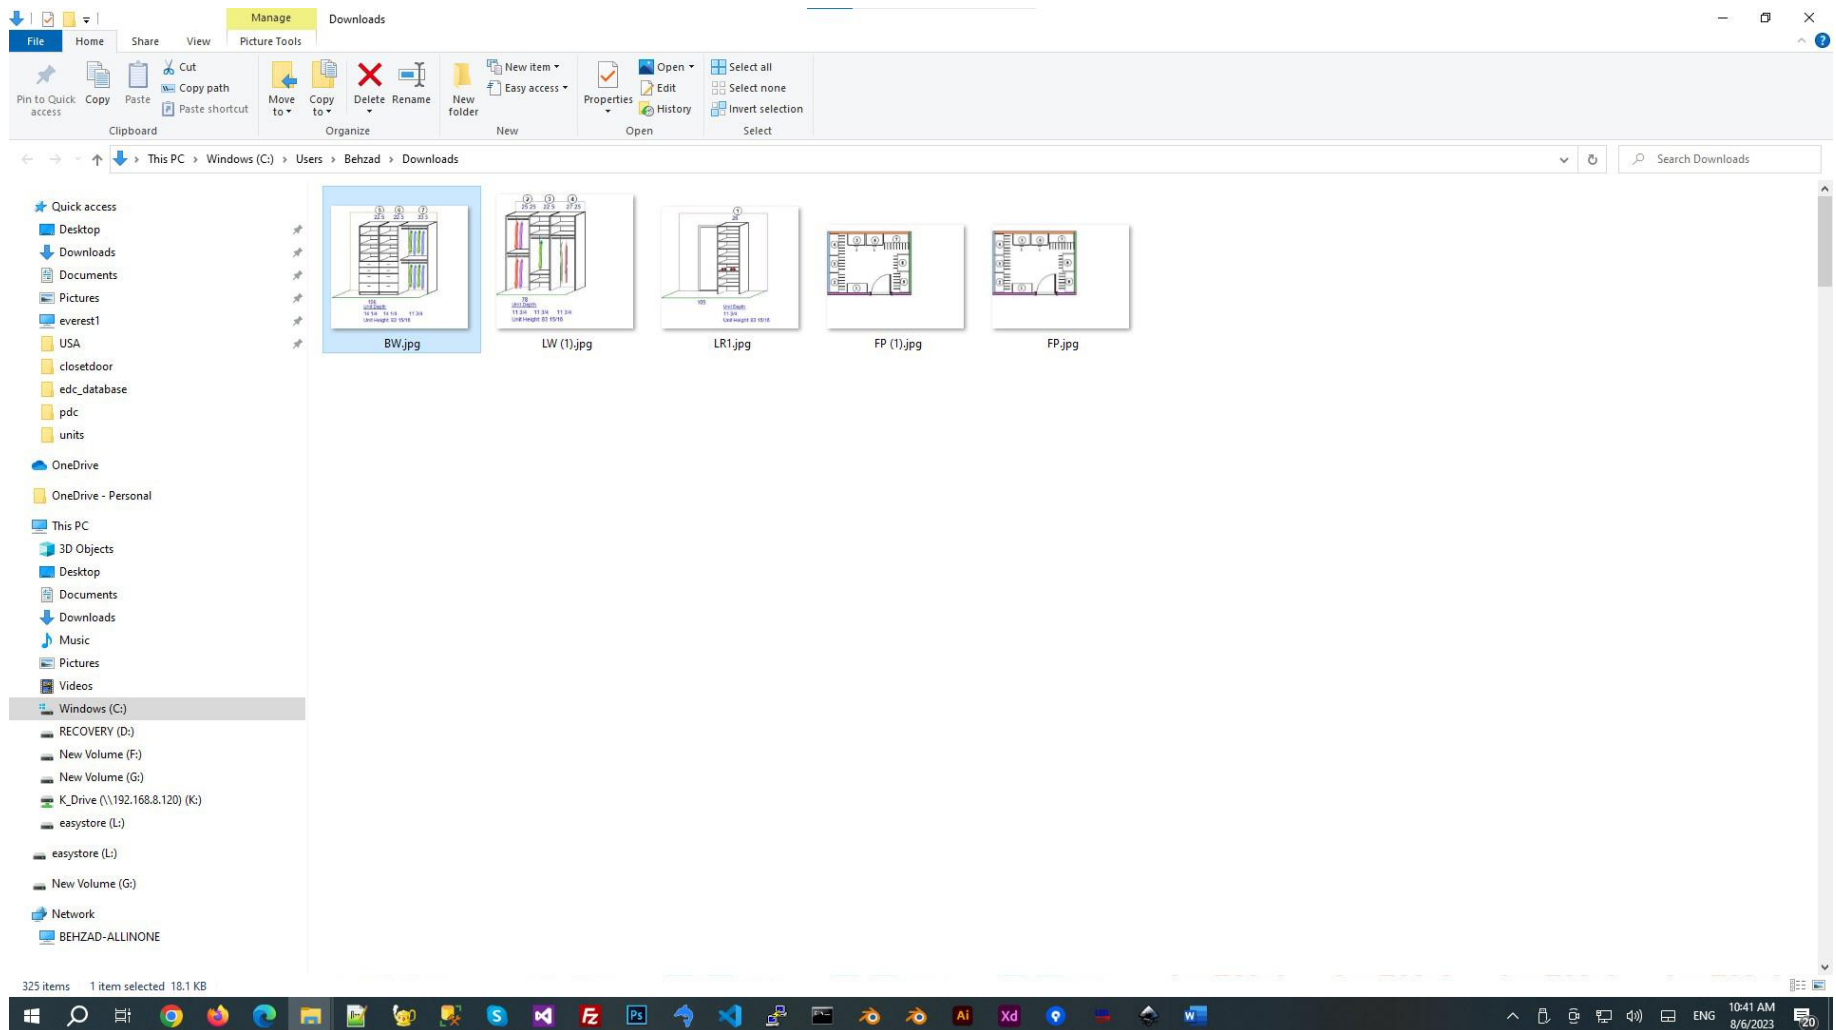

The bottom section of the interface contains detailed specifications for the closet walls and units. The "Back Wall (Max Length 300")" section shows a wall length of 106 inches, 3 units, and a length used of 82.25 inches. The "Left Wall" and "Right Wall" sections show their respective lengths and unit configurations. The "Select Door/Drawer Front" section offers options for Standard, Decorative, and Paintable fronts, along with handle and knob selections.

6. Then go to “Downloads” Folder.

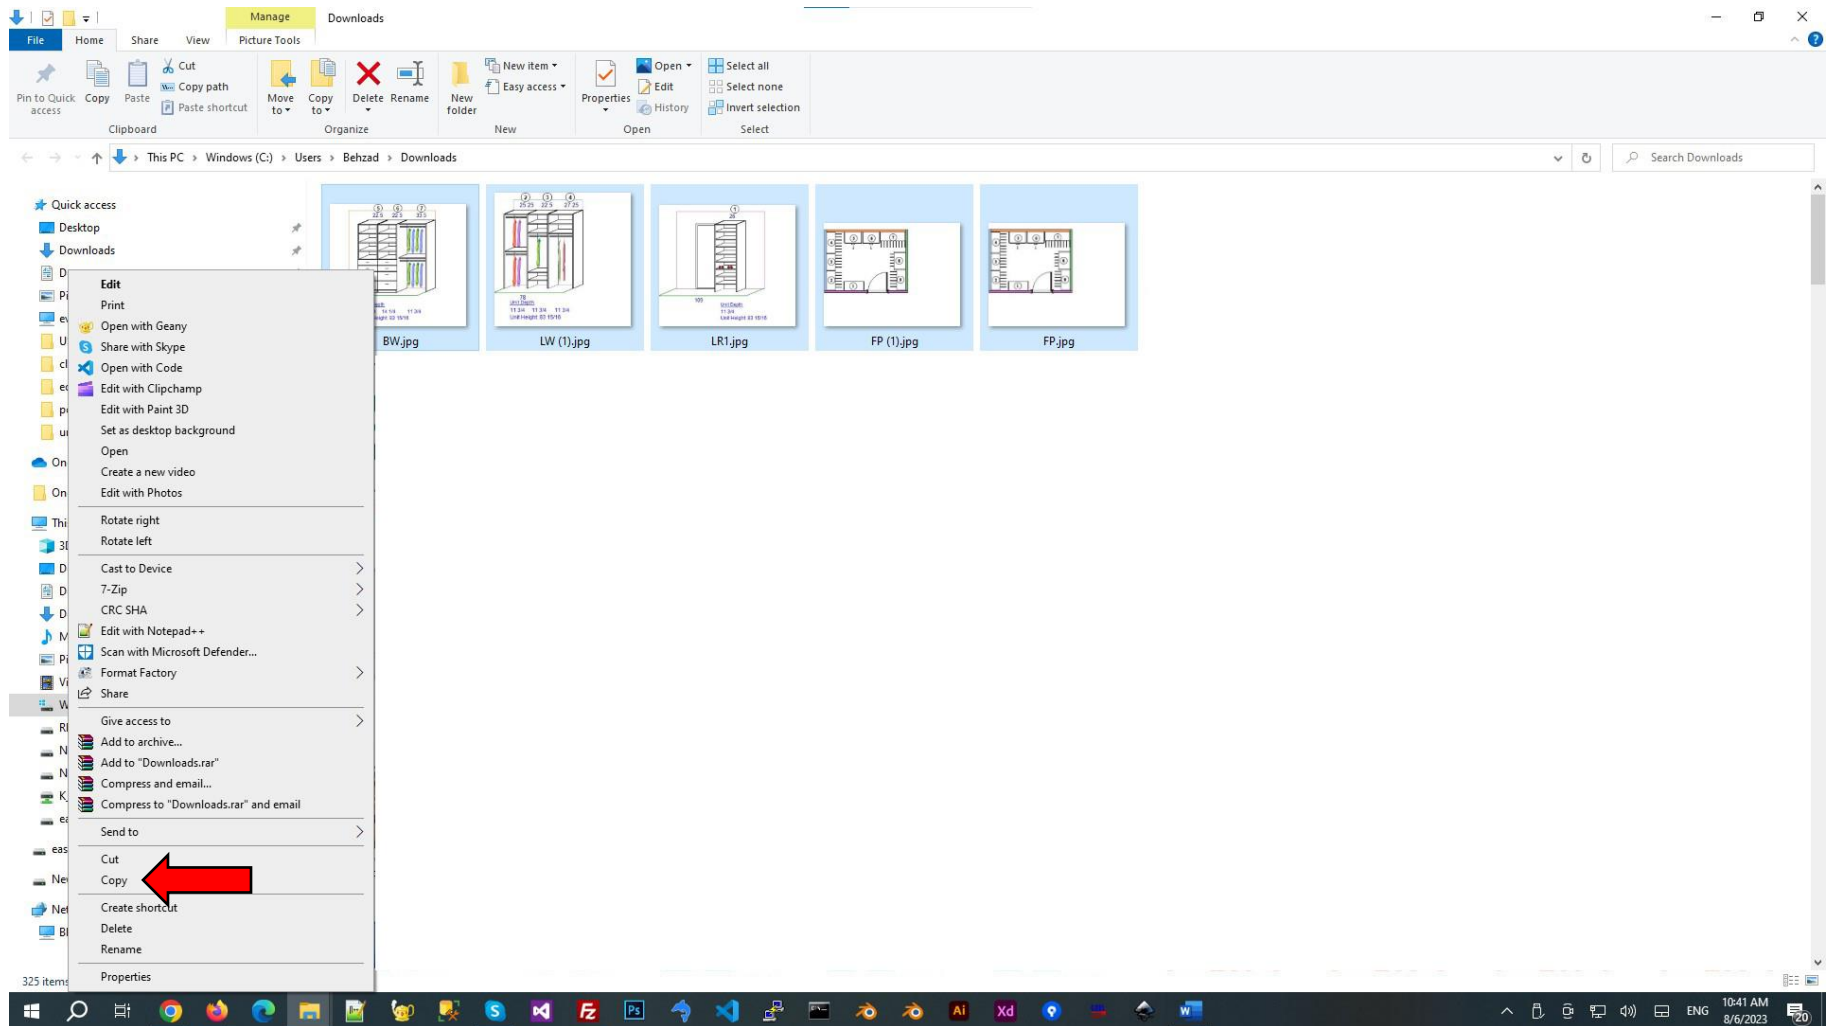

7. Select the files:

- Click on each of the files WHILE pressing the Control (Ctrl) key on the Keyboard.

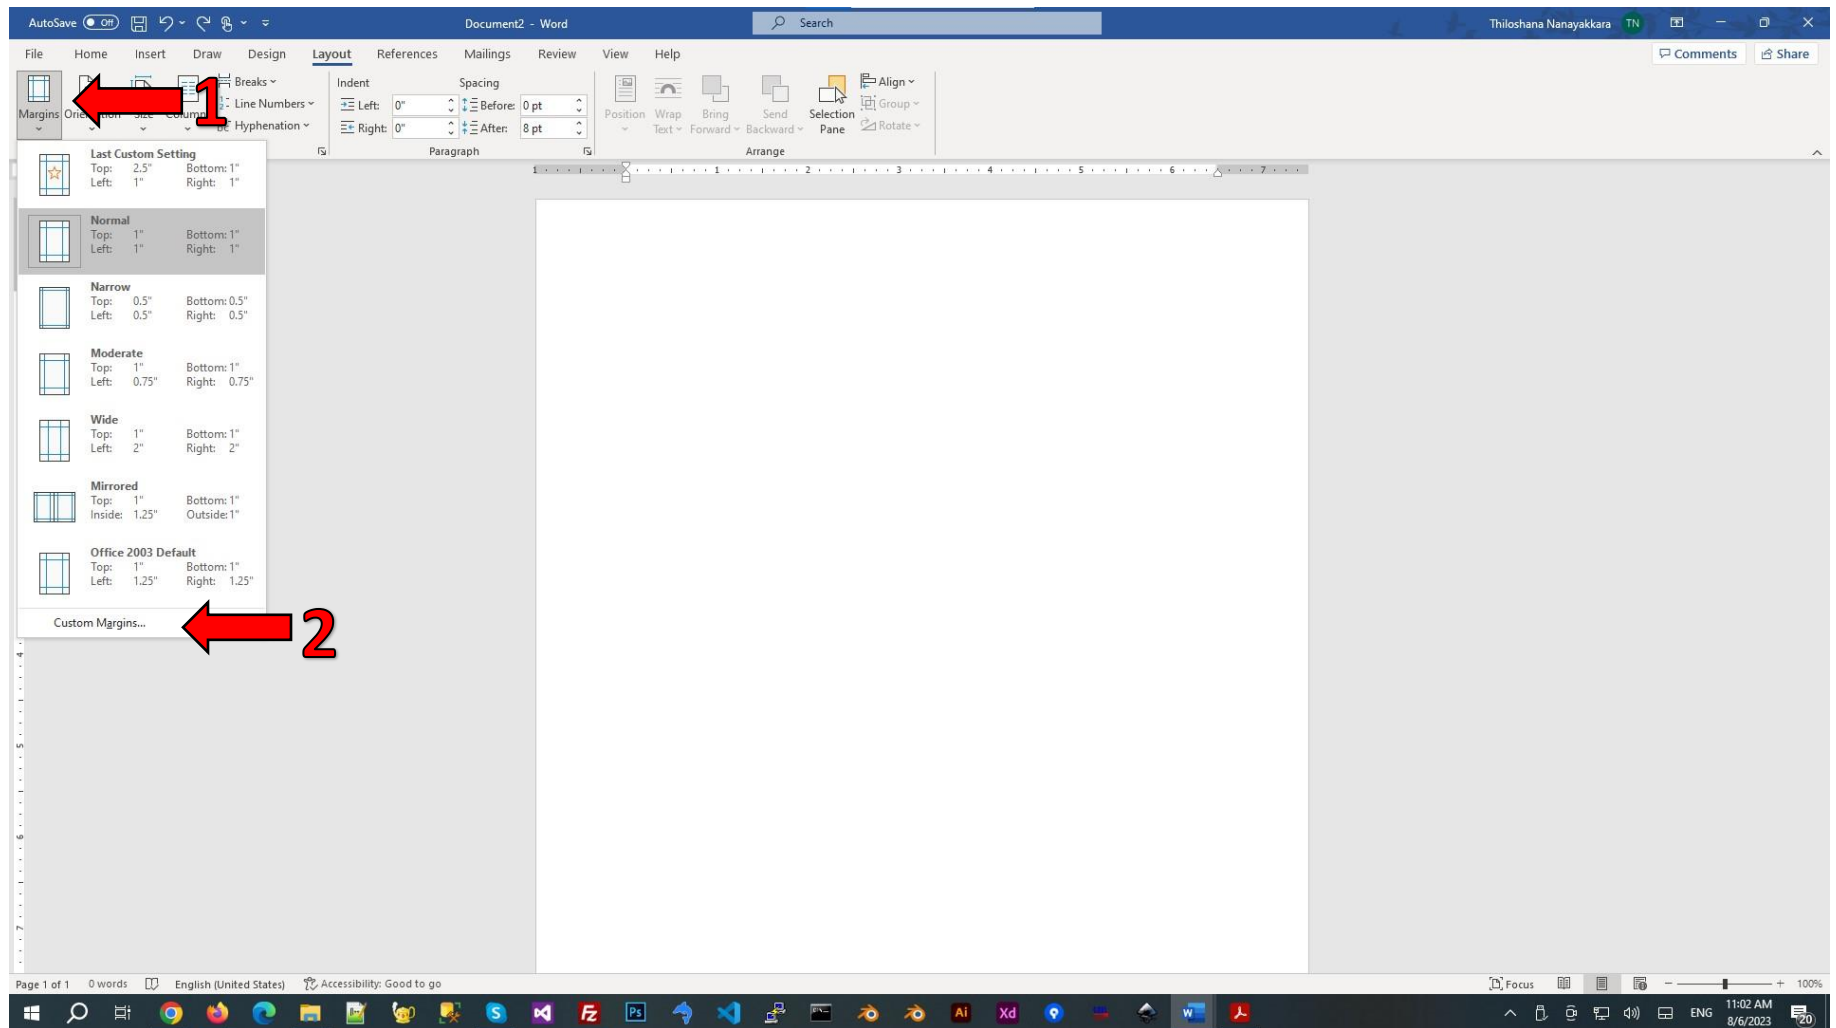

8. Right Click on the Selected images and Press Copy.

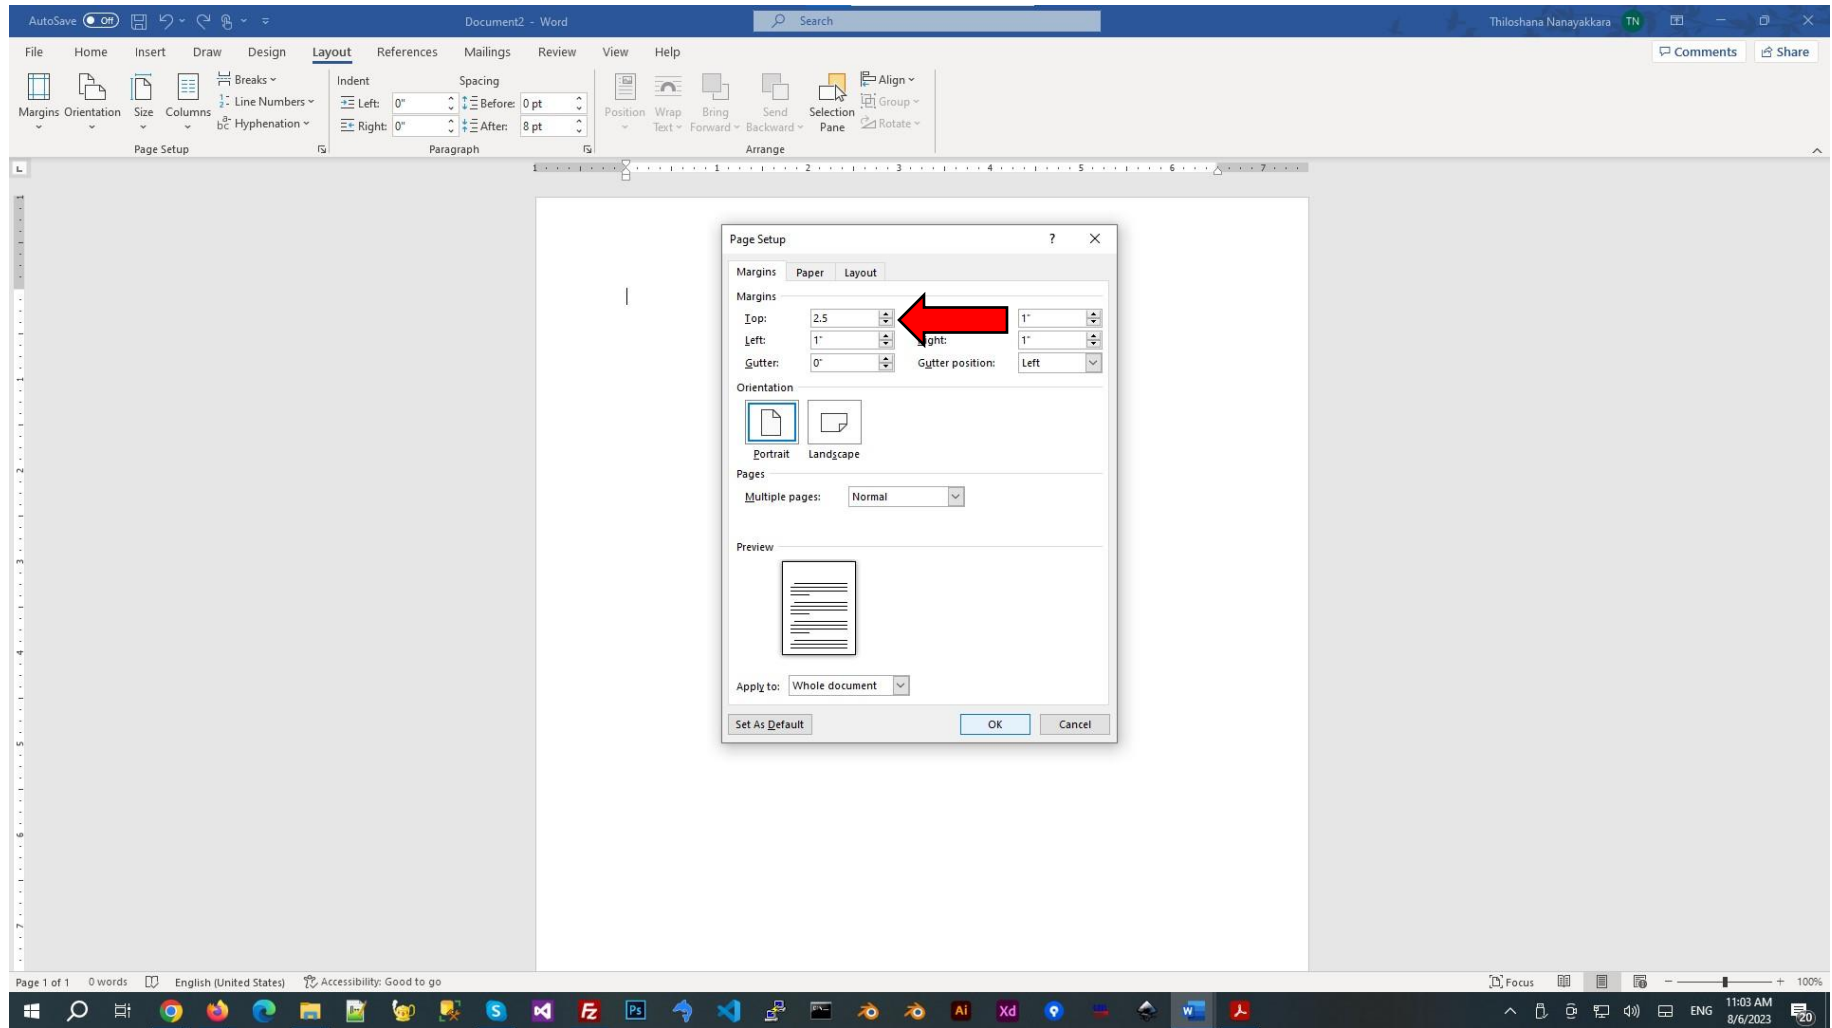

9. Open Word document and go to “Layout” tab.

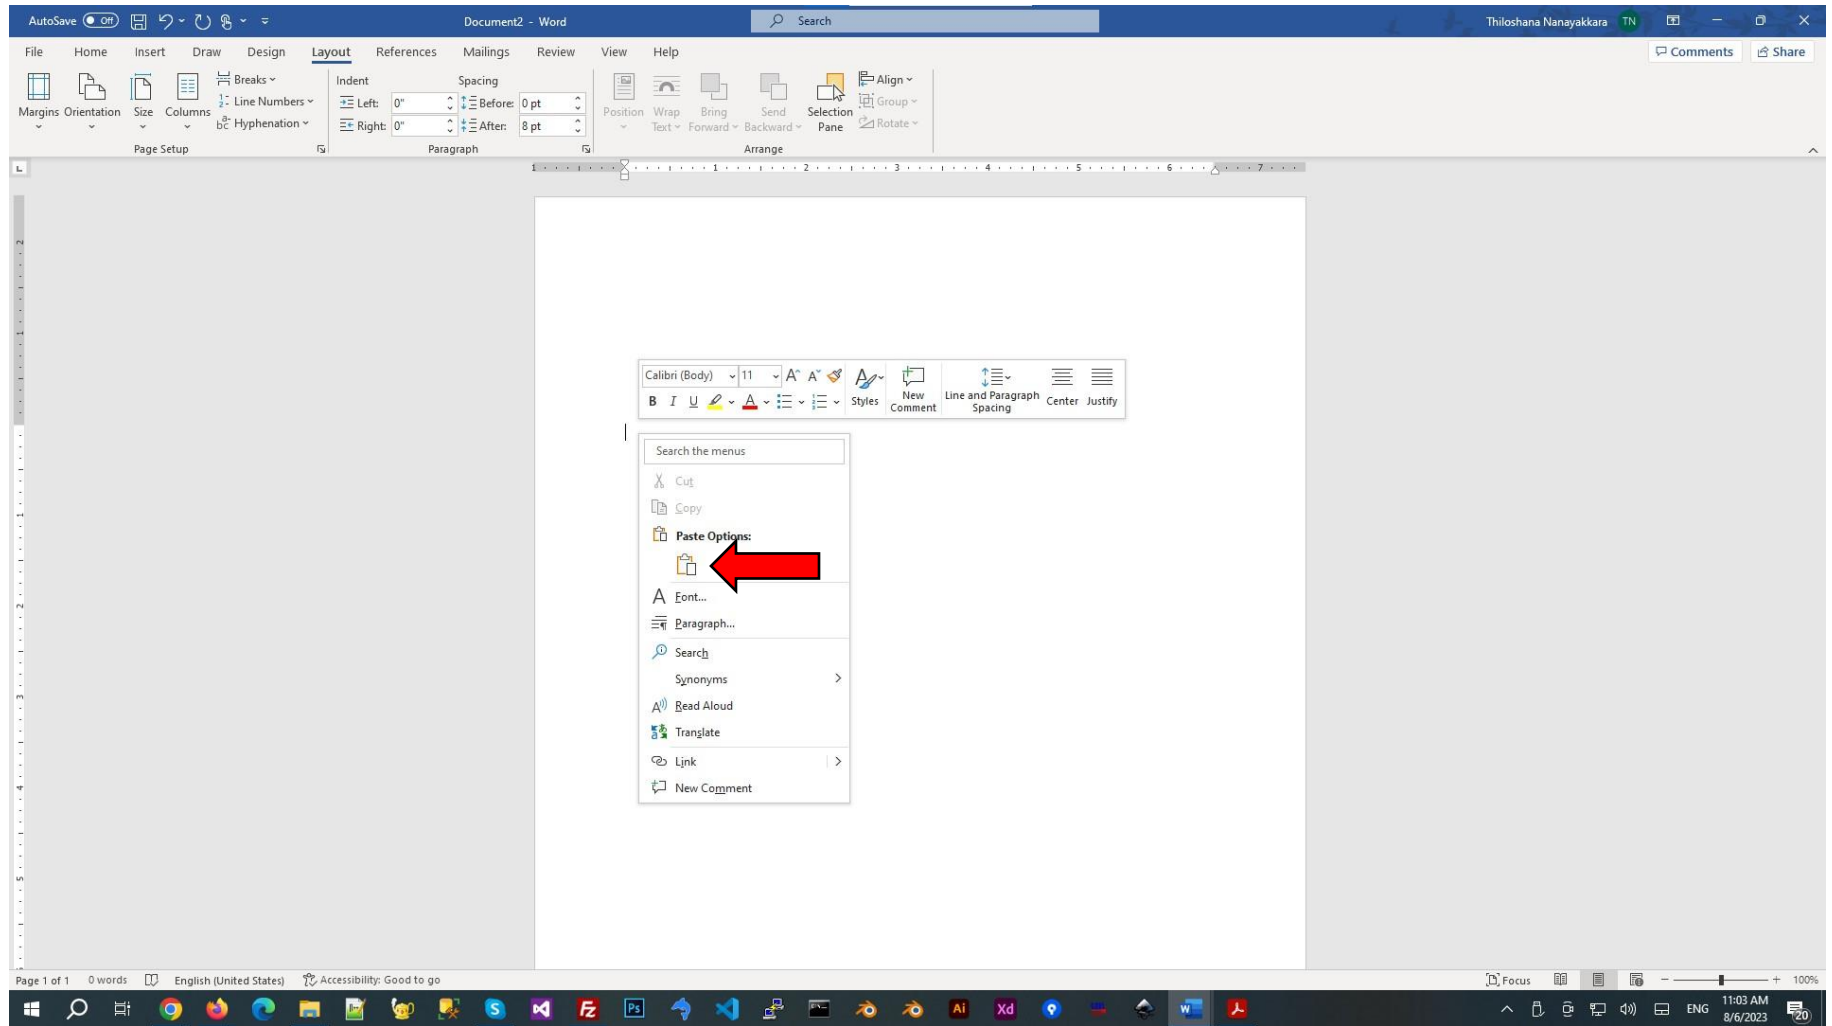

10. Then Click on “Margins” button and Select “Custom Margins”

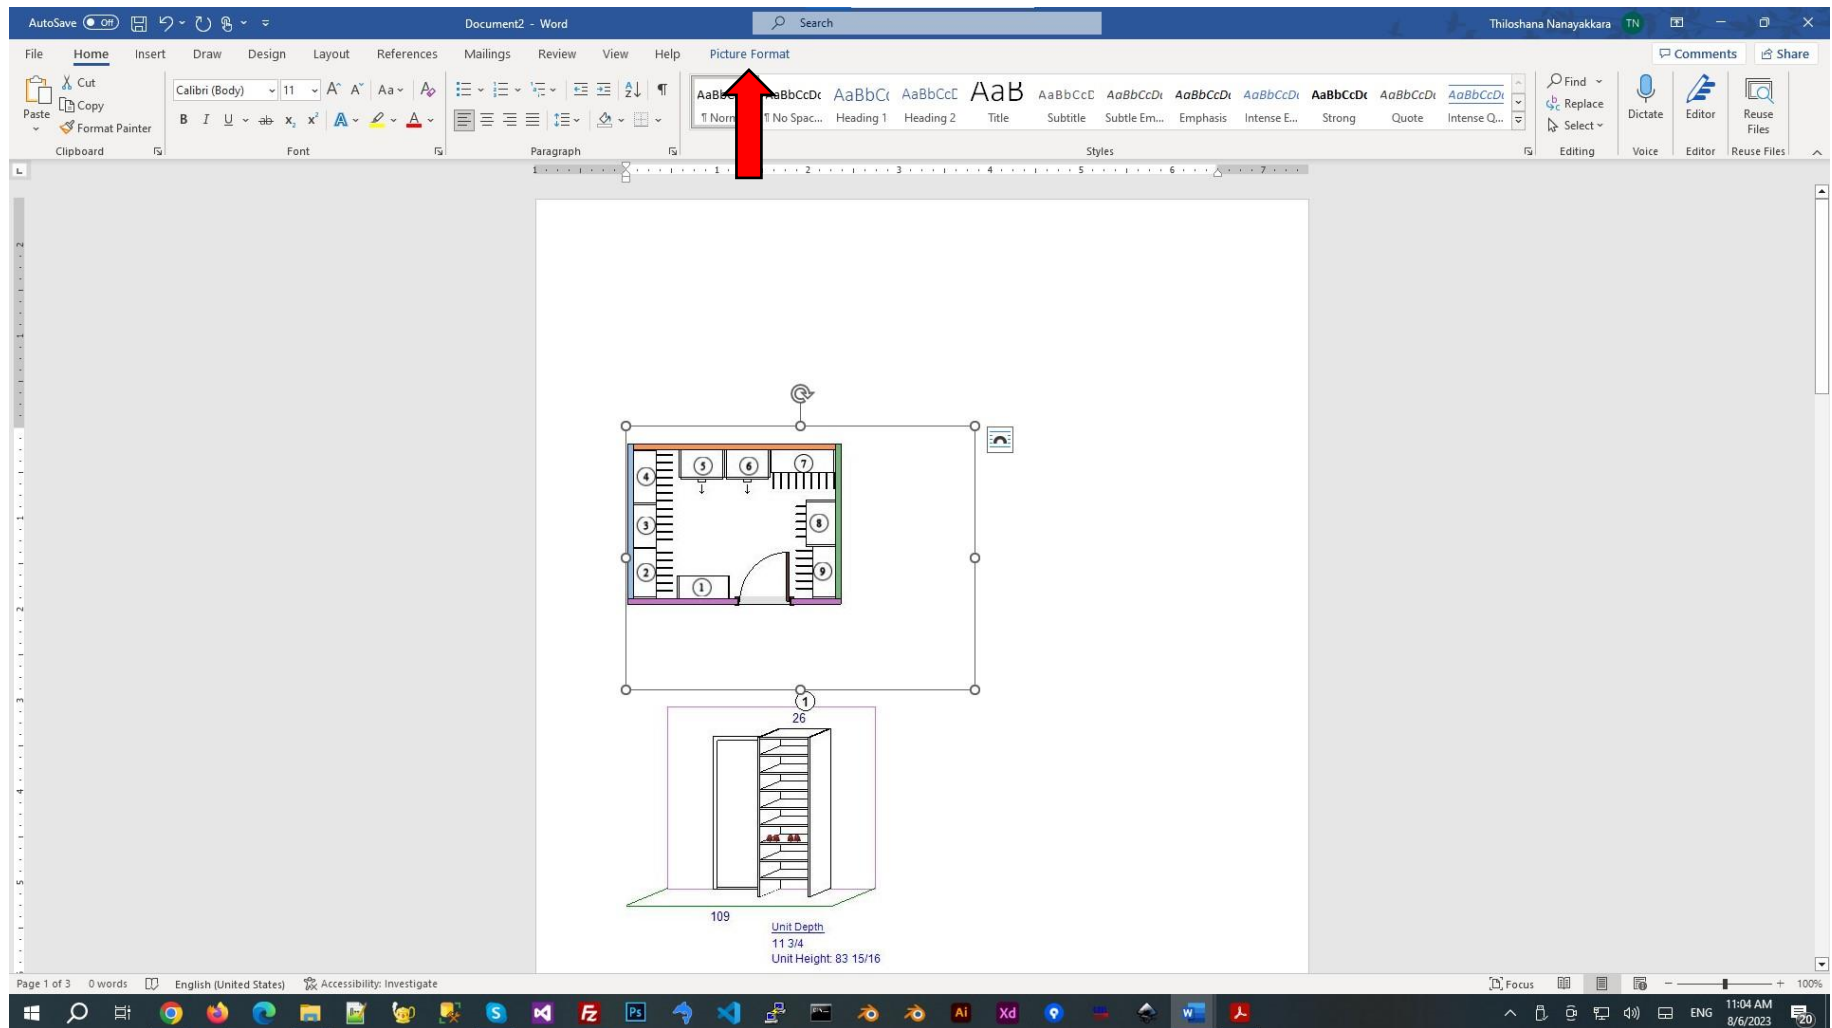

11. Change the Top Margin Value to 2.5”.

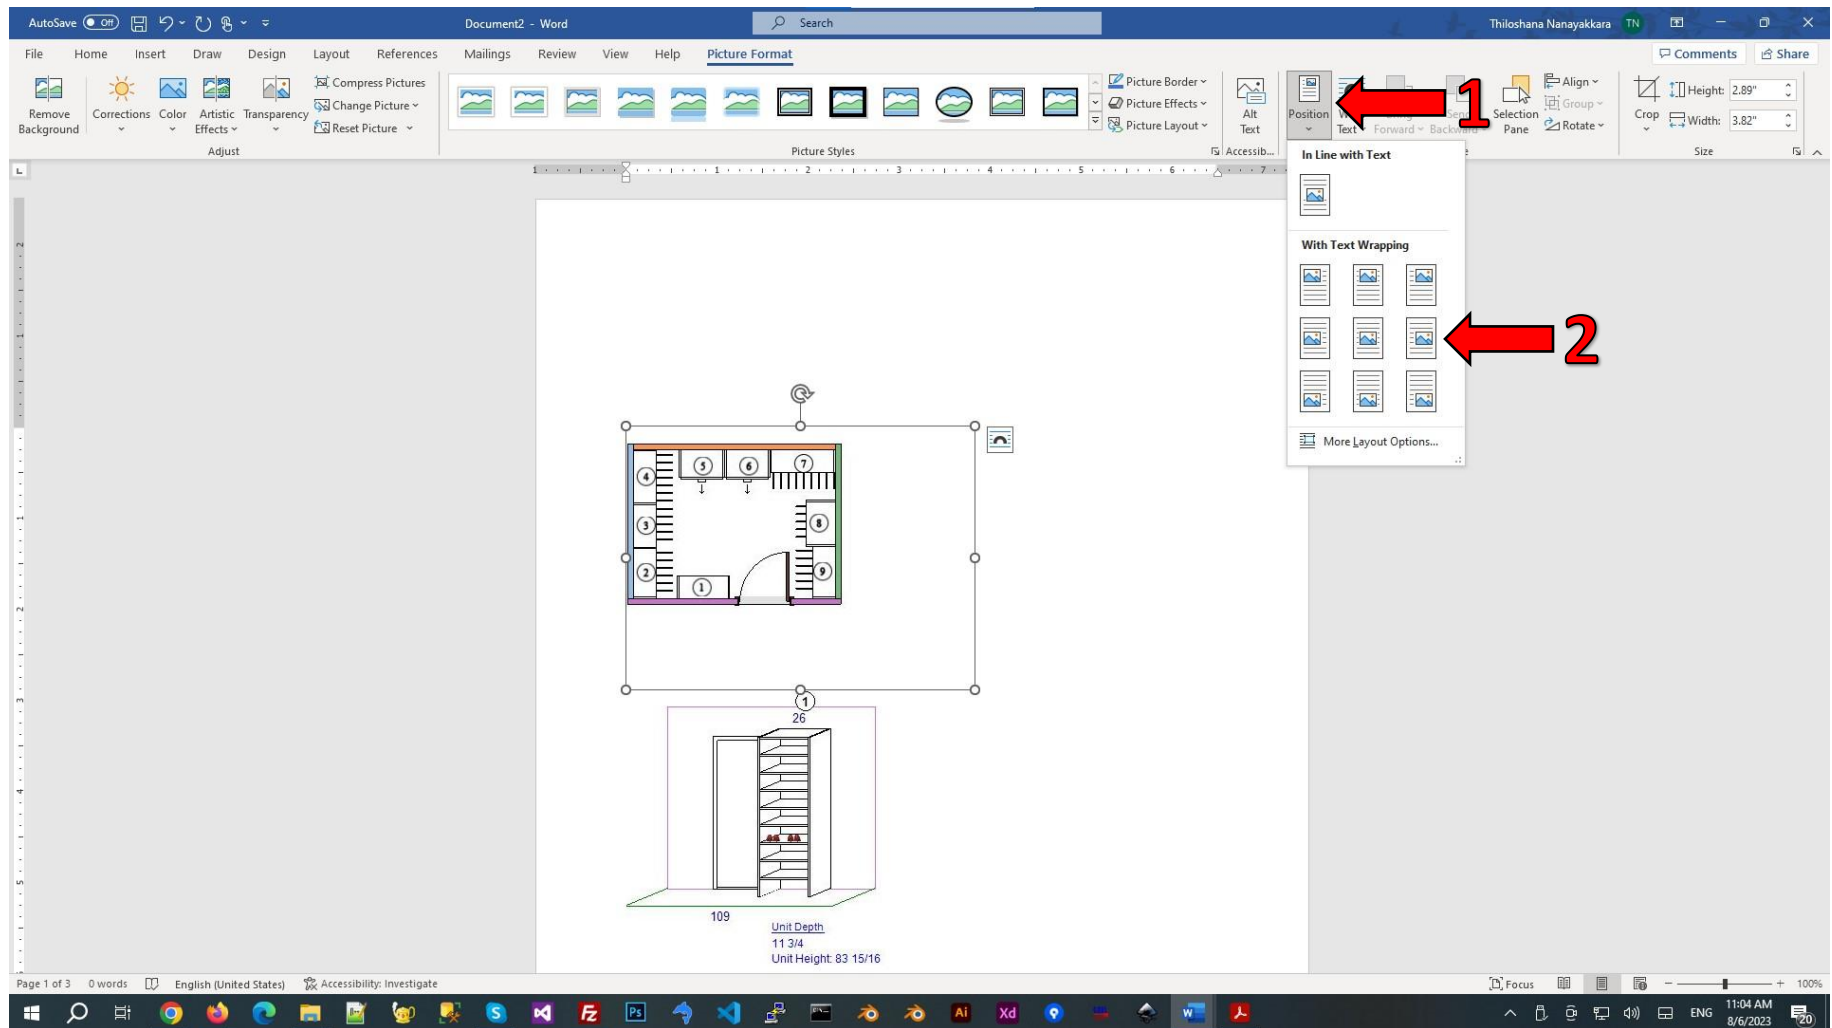

12.Right Click on the middle of the Word document and Click Paste.

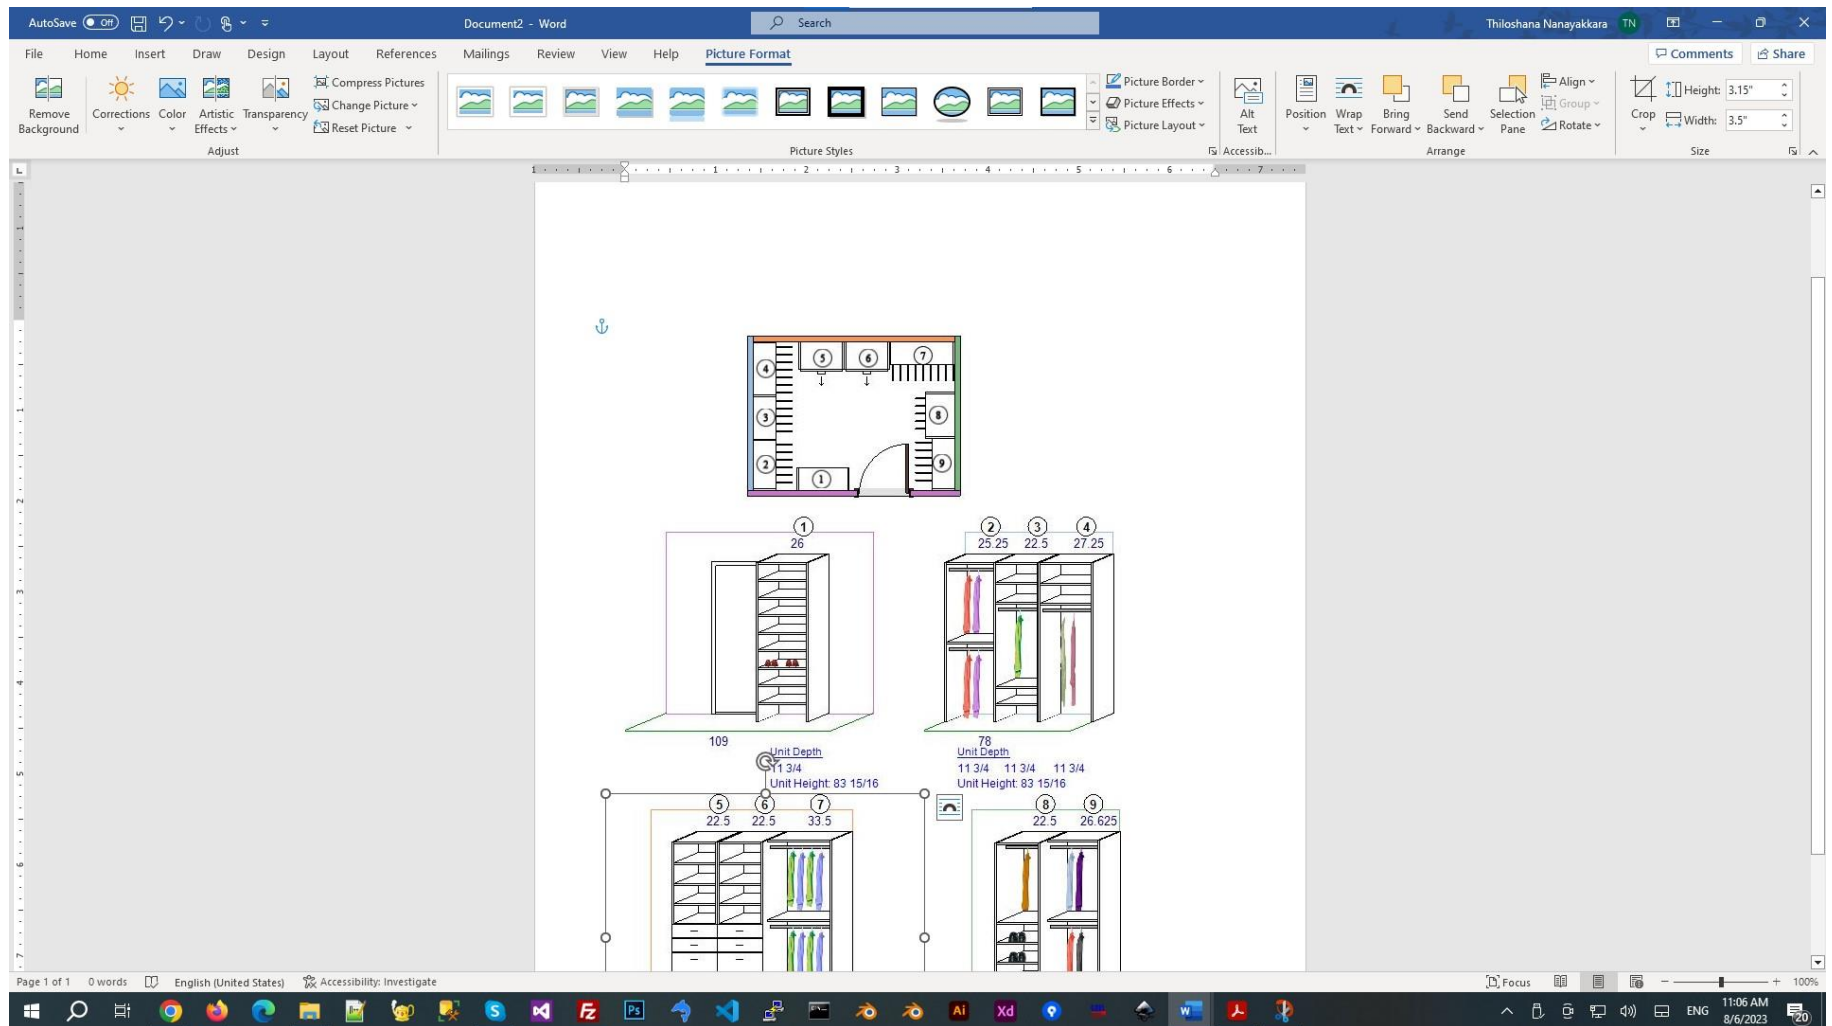

13.To Arrange the drawings the way you want, Select a drawing and go to “Picture Format” tab.

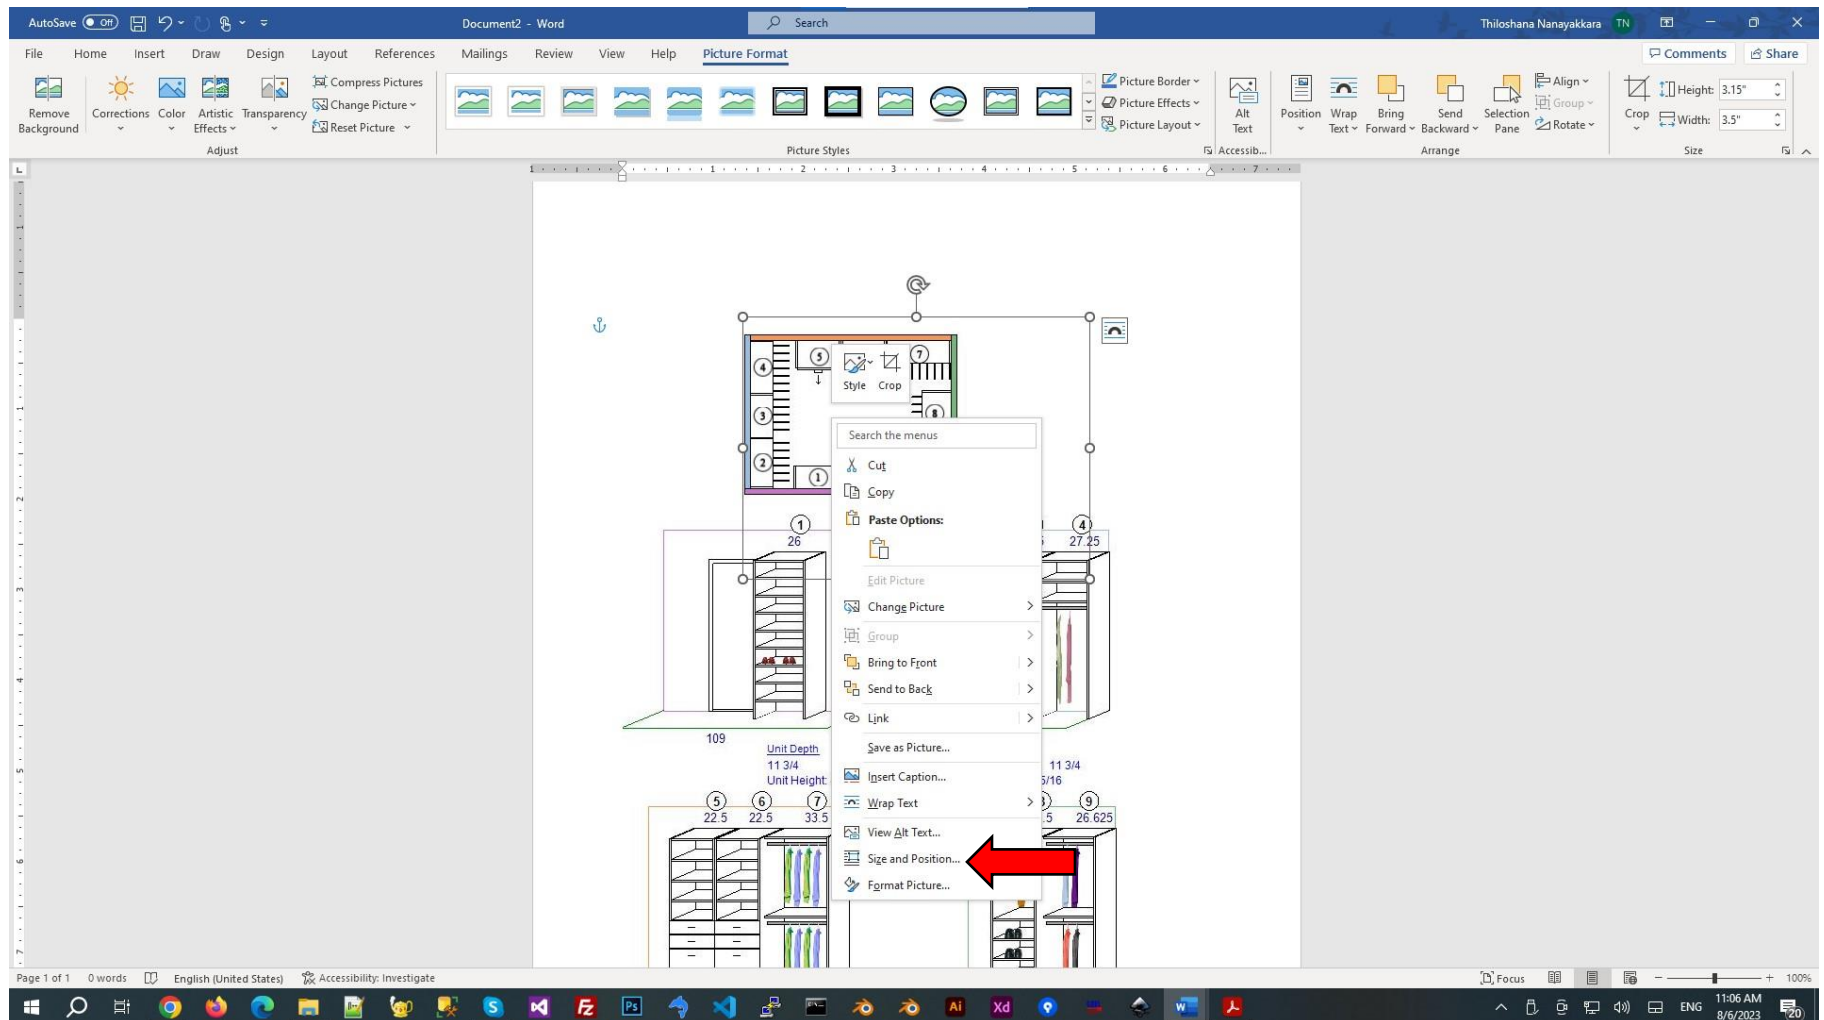

14. From the “Picture Format” Tab Click on the “Position” Button and Select the image position.

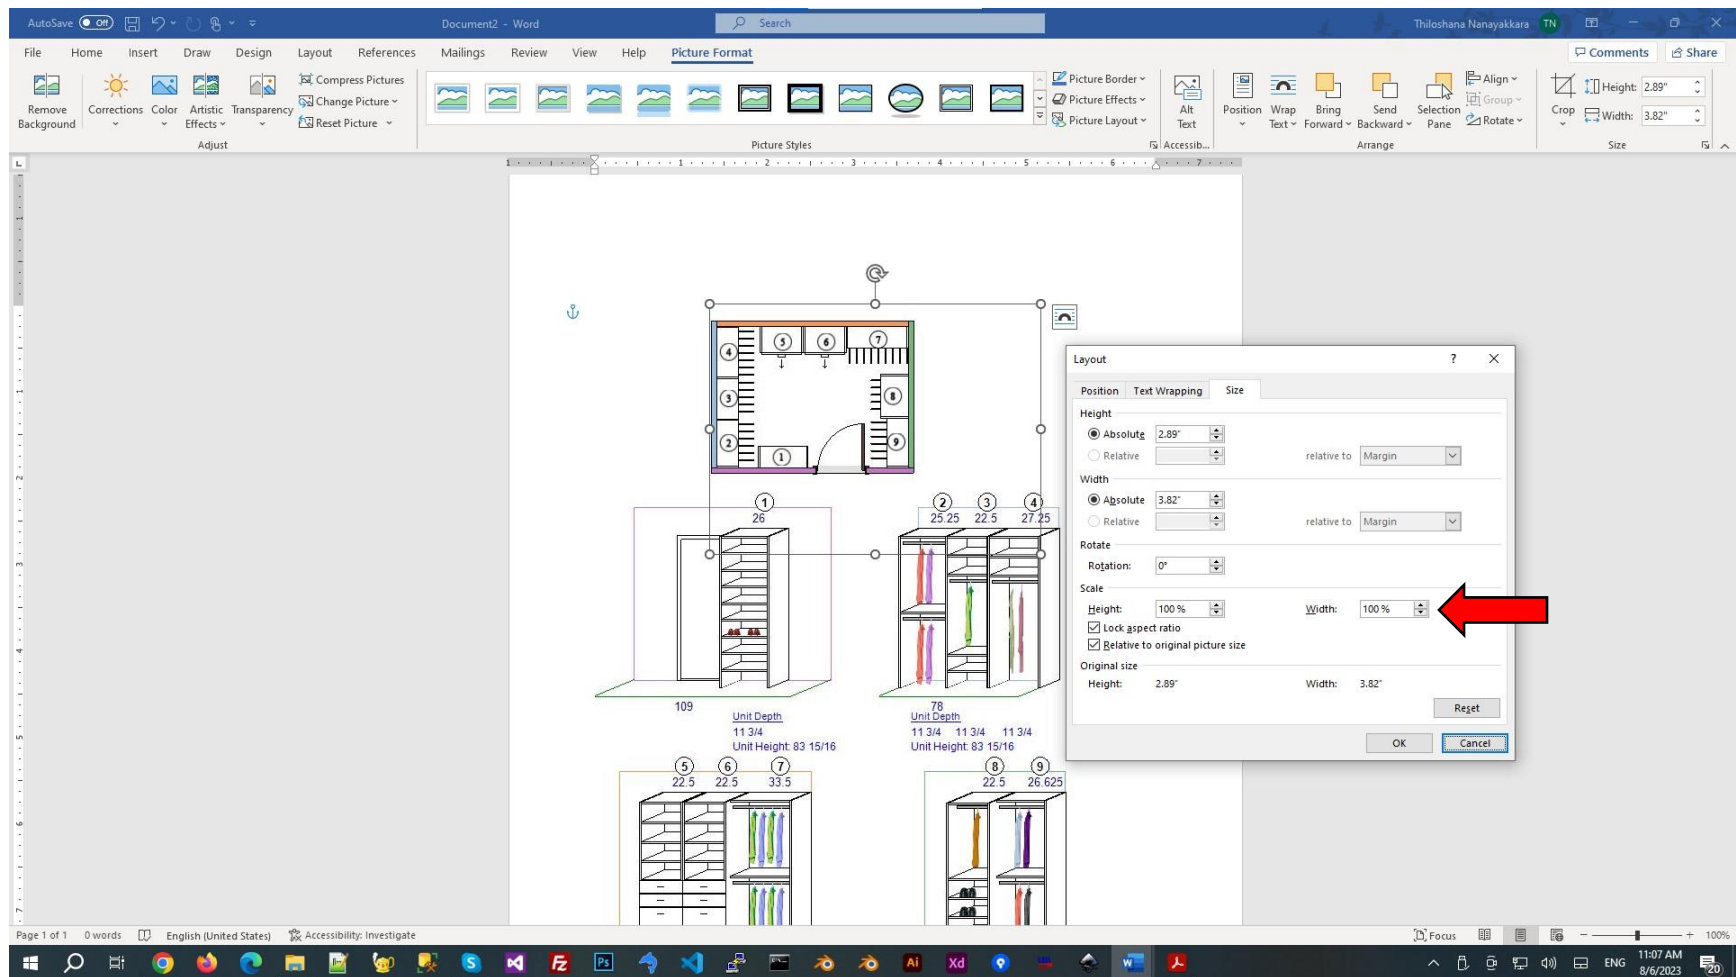

15. Then you can arrange the drawings the way you want.

16.If you want to change the image Scale, Right Click on the image which you want to scale. Then select “Size and Position” from the list.

17. Give a scale to your image and click "OK".

18. Then go to ACS "Design a Closet" page.

- If your Drawing arrangement is Portrait, then Select "Template w/o watermark P"
- If your Drawing arrangement is Landscape, then Select "Template w/o watermark L"

The screenshot displays the American Closet Systems "Design a Closet" web application. The interface is divided into several sections:

- Top Navigation Bar:** Includes links for Home, Start Designing, Closet Parts, Accessories, Units, Selections, and a "Print Drawings Only" button. A red arrow labeled "1" points to this button.
- Selections Dropdown:** A dropdown menu under "Selections" is open, showing options: "Template P", "Template L", "Template w/o watermark P", and "Template w/o watermark L". A red arrow labeled "2" points to this menu.
- Main Design Area:** Features a 3D rendering of a closet unit with dimensions (e.g., 106" Wall Length, 23.75" Left Space Remain) and a floor plan. A red arrow labeled "2" also points to the floor plan.
- Right Sidebar:** Contains settings for Colors (Solid, Woodgrain), Floor Type, Base Board, Ceiling Height, Height of Units, Edge Tape, and Standard Heights/Depths.
- Bottom Section:** Includes options for Door/Drawer Front (Standard, Decorative, Paintable), Handles (Standard, Brushed Chrome, Shiny Chrome, No Handles/Knobs), and various display toggles like "Show Hangers", "Show Shelves Height", "Show Cross Section", "Open Drawers", "Show Dimension", "Show Drawer Fronts", and "Depth & Height mm to inches".

19. Then Click on Print.

The screenshot displays the American Closet Systems website interface. The main area shows a 3D rendering of a closet design with dimensions and unit specifications. A sidebar on the left contains pricing information and configuration options. A print dialog box is open on the right, showing the print settings and a red arrow pointing to the 'Print' button.
